# A I Revolution Vol 5 V 5

By Charli Baker

## A.i. Revolution Manga

11. The Cotton Revolution | THE AMERICAN YAWP Thousands rushed into the Cotton Belt. Joseph Holt Ingraham, a writer and traveler from Maine, called it a "mania." 4 William Henry Sparks, a lawyer living in Natchez, Mississippi, remembered it as "a new El Dorado" in which "fortunes were made in a day, without enterprise or work." The change was astonishing. Mexican Revolution - Wikipedia The Mexican Revolution (Spanish: Revolución mexicana), also known as the Mexican Civil War (Spanish: guerra civil mexicana), was a major armed struggle, lasting roughly from 1910 to 1920, that radically transformed Mexican culture and government. Although recent research has focused on local and regional aspects of the Revolution, it was a genuinely national revolution. Loyalist (American Revolution) - Wikipedia Loyalists were American colonists who stayed loyal to the British Crown during the American Revolutionary War, often called Tories, Royalists, or King's Men at the time. They were opposed by the Patriots, who supported the revolution, and called them "persons inimical to the liberties of America". Prominent Loyalists repeatedly assured the British government that many thousands of them would.

4a. Volume of Solid of Revolution by Integration (Disk method) Rotation around the y-axis. When the shaded area is rotated  $360^\circ$  about the y-axis, the volume that is generated can be found by:  $V = \pi \int_c^d x^2 dy$  which means  $V = \pi \int_c^d \{f(y)\}^2 dy$  where:  $x = f(y)$  is the equation of the curve expressed in terms of y, c and d are the upper and lower y limits of the area being rotated. Permanent Revolution I had the opportunity to participate in the May Day festivities in Havana, Cuba this year and jumped at the chance. Never having traveled to Cuba before I was not sure what to expect but I was also excited at the prospect of getting to meet people and learn something about this island nation that has been a thorn in the side of American imperialism for 60 years.
